BSMA

Borderless Single Mothers – BSMA is a nonprofit organization in East Africa working to shape & empower the target mothers to walk the straight path in life, only positive foundations guarantee a virtuous future for the next generation. Since inception in 2020, we have been on a mission to raise the living standards of Mothers; Young & Elderly through the promotion of Better Health Care Systems, Child Education, Economic Development and Entrepreneurial skills.

A Happy Mother gives forth a Happy community. We group Young or Teenage Mothers and Mature Single Mothers to positively establish their problems and give amicable empowerment solutions.

BSM ensures that all children of single parents are in school by availing Scholastic Materials, Fees and Motivation. We will pool sponsorships enrolling our children into local schools.

Single parenthood comes with many challenges especially if the parent is un-employed. The children have to get all basic needs i.e Food, Shelter, Clothing and Medication we need help to avail all these.

To promote life-long education, Good health and nutrition, personal development and entrepreneurial skills for Single Mothers and their children.

What We Do;

02

Education For All Our Children

All Our Children Male or Female, Able or Disabled deserve better education at all Levels. Single Mothers Association is dedicated to ensure that the communities get a better share in the Education Sector.

Vocational Training

BSM members can get involved in Tailoring, Crotcheting, Computer and Secretarial studies to help make or increase on their income and savings as they have many parental obligations to cater for.

Empowerment and Savings

BSM members will all be voluntarily trained in financial sustainability and invited to Join BSM Savings SACCO. We all know that as a group no barrier can stand in our set goals. we will save and invest in each other and grow together.

Parental and Mental Healthcare

BSM offers all Parental and mental health care. Most young parents, children and even adult parents need mental care and psychological nurturing to help them cope up with their new statuses.

■ **Clean Water & A Balanced Diet.**

Our Children and their parents have to access clean water and get improved nutrition plans. Single Mothers Association is dedicated to ensure that the communities get clean Water and Food.

■ **Ensure Better Medical Treatment**

We prioritise and emphasise on better medical treatment to the entire community. This is in Pregnancy Care, Immunization, Vaccination and Circumcision, Advanced health care for the adults is also not left behind.

■ **Empowerment and Savings**

BSM members will all be voluntarily trained in financial sustainability and invited to Join BSM Savings SACCO. We all know that as a group no barrier can stand in our set goals. we will save and invest in each other and grow together.

■ **Farming and Livestock**

BSM Trains and assist single parents to do income generating activities such as Farming, Livestock and Poultry Keeping as most are in rural communities having access to some land.

■ **Parental/Child Advocacy**

Most single-parents though healed and independent have issues with legal advocacies, our able legal team will help the mothers and their children get justice in domestic violence, get child care and ensure they get an equal share of inheritances with their X-es legally.
